Our Story

Founded in 2014, we have been spreading the glow ever since. We simply love being able to add that extra sparkle and glamour to weddings, parties, bar mitzvahs, corporate events, product launches and baby showers. Based in Manchester, we have spread the glow all across the North West and beyond.

We love talking about everything that glows. Simply contact us for a quote or more information via info@wordstoglow.co.uk

Weddings

Our classic white 4ft light up letter collection are amongst our most popular for any big day.

With a timeless and classic design, our letters can be seamlessly woven into any theme or wedding design; providing the perfect backdrop, photo opportunity or focal point. We also have our table top collection to complement our 4ft light up letters as well as our classic white heart.
